

The Legacy of King James 1611 Bible

FORWARD

My speech and grammar may not be the best; and I am ignorant in many ways, but I have a revelation to share with you. This is a revelation that very few people, if any, know about!

There are two sides to everything. This is no big secret, everyone know that; but did you know that there are two sides to the Scriptures?

People who have read most every book and have studied every aspect on what the Scriptures are about, are those who have read everything taught on the left side of God. Oh yeah, God has two sides. So, if you think you know it all, why are you even looking here?

**For my thoughts are not your thoughts, neither are
your ways my ways, saith the LORD.**

ISAIAH 55:8

Albeit there are people who want to know just what's on this other side of the Scriptures and what they mean. The Scriptures will be explained in many different ways so those who have been behind, like me can gradually understand them.

**And before him shall be gathered all
nations: and he shall separate them one from another,
as a shepherd divideth his sheep from the goats: And he
shall set the sheep on his right hand, but the goats on
the left.**

MATTHEW 25:32 -33

This is the little book, short and sweet and not so wordy as to flummox your mind. But it will still take you far beyond anything you have probably learned so far. It will teach you the meanings of the ancient Hebrew, Greek and Latin definitions of words, it will teach you that many of the Scriptures are slang with covert meanings, and it will teach you how to decipher for yourself the meaning of the Scriptures through biblical numerology.

**I form the light, and create darkness: I make peace,
and create evil: I the LORD do all these things.**

ISAIAH 45:7
